PUBLIC SAFETY 2013 ANNUAL REPORT

MESSAGES FROM THE LEADERS

We have successfully completed a full year as the Public Safety Department, which combined Police, Fire, By-Law Enforcement and EMO operations. Throughout the year, we have achieved several successes. We have adopted an integrated service approach in order to elevate the level of services in Public Safety. I trust that this information and the way it is presented will benefit everyone. It is meant to be more substantive and meaningful.

Any feedback would be much appreciated.

Sincerely,
Wayne W. Tallon
Director Public Safety

The Corporate restructuring in 2012 establishing the Department of Public Safety made for an exciting year in 2013; not without its challenges. We've improved collaboration and created capacity for strategic decision making and innovation in an effort to improve service delivery to the citizens of Fredericton. The use of Lean Six Sigma tools and methodologies will assist us in continuing to offer an excellent level of service as efficiently as possible.

Brad Cameron,
Assistant Director, Public Safety

I am proud to say that our organization was established in 1851, making it the second oldest municipal police agency in Canada. That said, I am equally proud to say that our tradition is carefully balanced with contemporary policing practices designed to meet 21st Century public safety needs. Our police officers, civilian staff and volunteers are professional and dedicated in their service and exemplify our core values in all that they do while serving and protecting "All" people living, working and visiting in the "Celestial" Capital city.

Working under the umbrella of the Municipal Department of Public Safety, we are focused on sharing our resources and finding efficiencies within the city and with our many external partners. As an organization we have embraced the Corporate innovation and improvement model and Lean Six Sigma methodology as a way of addressing complex policing matters in the wake of today's fiscal challenges.

In 2013 we unveiled a three year strategic plan and a new organizational structure to align our department for achieving our mission of "working together to find sustainable solutions for a safe community." Our mandate is rooted solidly in a contemporary community policing philosophy and our strategic plan focuses on four key pillars of activity ranging from our fiscal responsibilities, service improvements, our people and our internal work allocation.

In 2013 we launched a new Traffic Strategy to complement our strategic Services perspectives that focus on the areas of Intimate Partner and Domestic Violence, Crime Reduction and Integrated policing.

Leanne J. Fitch
Chief of Police

I am pleased to submit the Fredericton Fire Department section in the DPS Annual Report for 2013. It was another busy year for the Department with Fire Operations responding to 425 fires and responding to an overall average of 11 calls per day. The Suppression crews issued 307 fire permits. This program has been very successful with a compliance rate of 100%.

The Fire Prevention Division continued with its aggressive life safety inspection program, conducting 1,346 inspections and 309 re-inspections. Fire Inspectors conducted 51 fire investigations and had a fire safety total audience of 7,979.

In 2013, the Department continued our involvement in Lean Six Sigma projects and proposed several new Innovation and Improvement charters for the up-coming year.

Paul Fleming
Fire Chief
Fredericton Fire Department

PUBLIC SAFETY GOAL

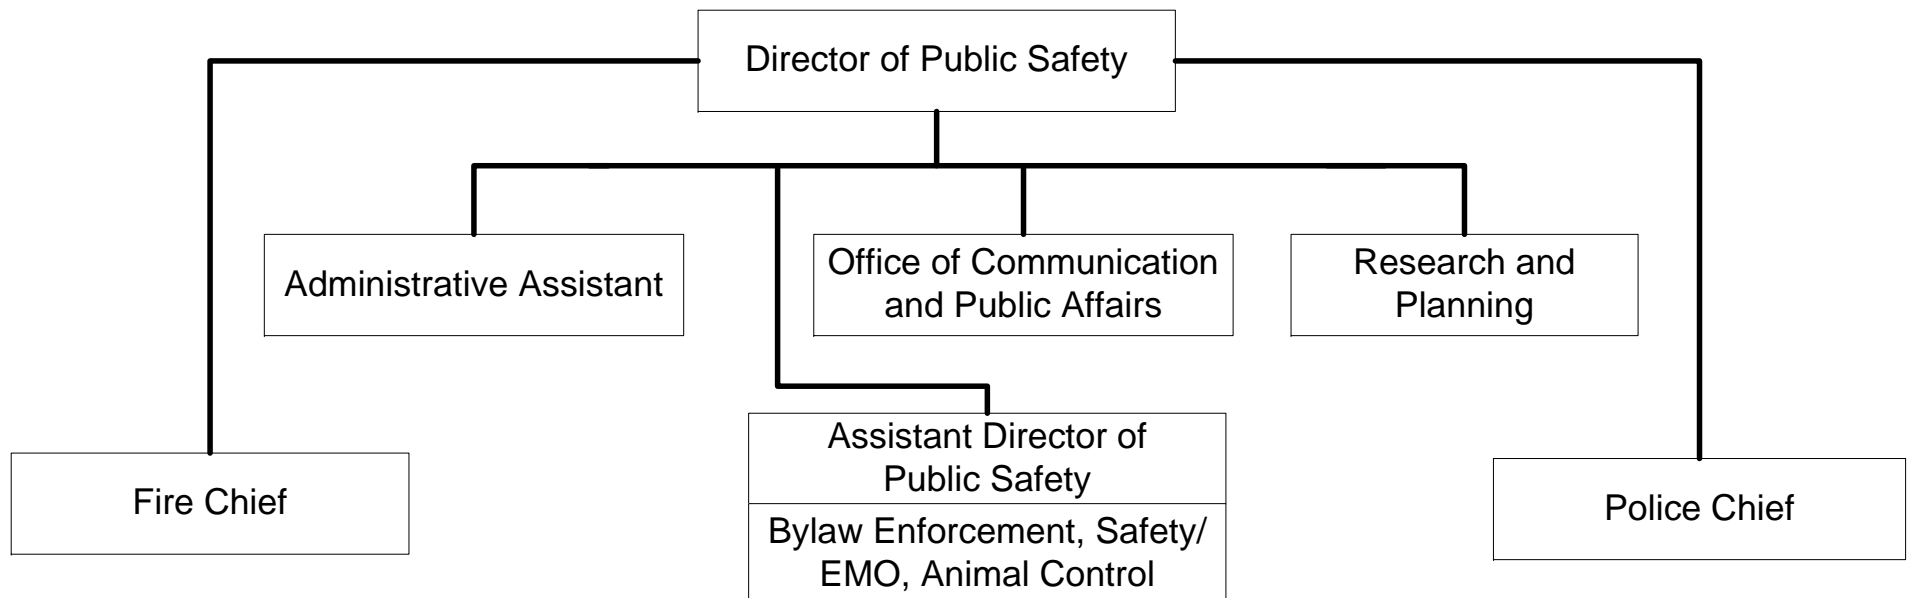

A safe and secure community.

DESCRIPTION

Public Safety includes the protection of people and property through police and fire services, emergency management and enforcement of legislation with a view to preserving the safety and security of our citizens. It encompasses activities related to incident prevention, incident mitigation and public education, as well as community emergency planning and response.

PUBLIC SAFETY STRUCTURE

A SAFE AND SECURE COMMUNITY

PUBLIC SAFETY SERVICE

DESCRIPTION

Animal Registration and Control

The registration of dogs and kennels within the City of Fredericton, and the enforcement of the municipal by-law relating to animal management/control.

By-law Enforcement

Enforcement of municipal legislation.

Emergency Incident Mitigation (Fire)

The provision of emergency assistance to save lives, to protect property and to reduce damage caused by fire, rescue incidents, emergency medical incidents, hazardous material incidents, ice and water incidents and accidents requiring extraction of victim from a vehicle.

Emergency Preparedness

The preparation, testing, deployment and maintenance of a plan for municipal response to, and recovery from, disasters in the City of Fredericton.

Fire Investigation

Investigation as to cause and origin of fire as required by Fire Prevention Act of New Brunswick.

Fire Prevention and Inspection

The prevention of fires through education, permissions and life safety inspection.

Incident Prevention (Police)

The identification and analysis of the root causes of crime and disorder, and the development of strategic and tactical approaches to address these causes, with the intention of minimizing or preventing criminal activity, disorderly conduct and enhancing public safety.

Incident Response (Police)

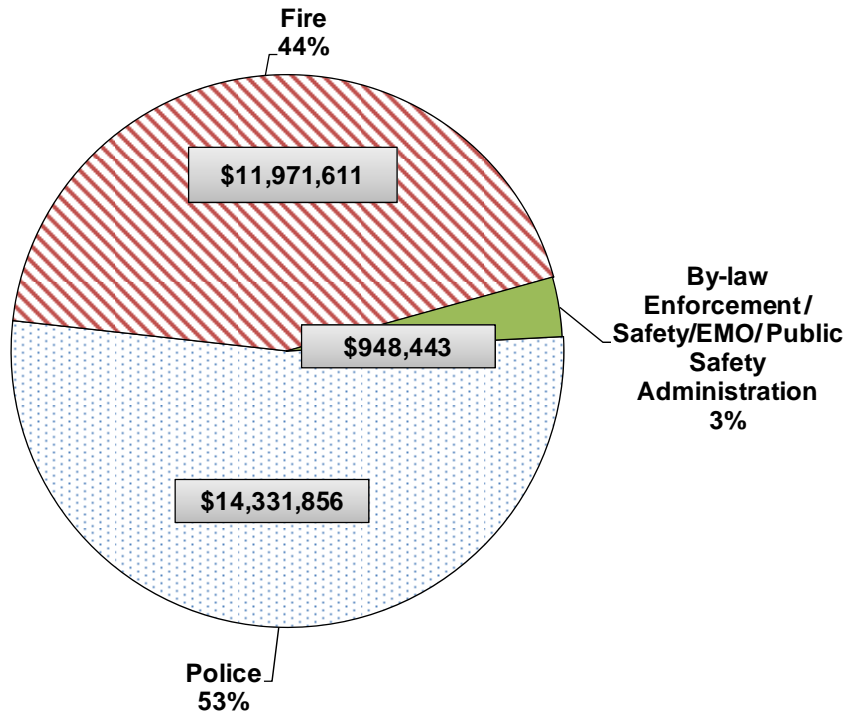

Response to, mitigation of and investigation of emergency and non-emergency incidents.

PUBLIC SAFETY SERVICE	DESCRIPTION
Taxi Industry Regulation (Mobility)	The regulation of the quality of taxi service delivery in the City using licensing, driver training, performance monitoring and enforcement, focused on taxi cab business owners, taxi cab owners and taxi drivers.

Public Safety Improvement & Innovation Activity 2013	
Total Proposed/Underway I & I Projects: <ul style="list-style-type: none"> ◆ Reporting Crime (Underway) ◆ Booking Suspect (Underway) ◆ Police Collection, Analysis and Report Business Information ◆ Life Safety Inspections ◆ Emergency Medical Responses ◆ DPS Stores and Purchasing/Quartermaster ◆ DPS Fleet & Building Coordination 	7
Completed I & I Projects: <ul style="list-style-type: none"> ◆ Fire Overtime (Completed) ◆ Crime Mapping (Completed) 	2
Completed Waste Walks: <ul style="list-style-type: none"> ◆ Public Safety Media ◆ Police Executive Office ◆ Court Overtime Reduction ◆ Criminal Record Checks ◆ Department of Social Development Requests ◆ Fire Burning Permits 	6

“Public Safety is committed to continuous improvement throughout the department. Senior managers have embraced the Improvement and Innovations projects and training. They, along with their staff, have identified larger projects, as well as completed several Waste Walks.”
 stated W. Tallon, Director of Public Safety.
“I am pleased to say that the department of Public Safety has fully embraced I & I.”

2013 APPROVED BUDGET

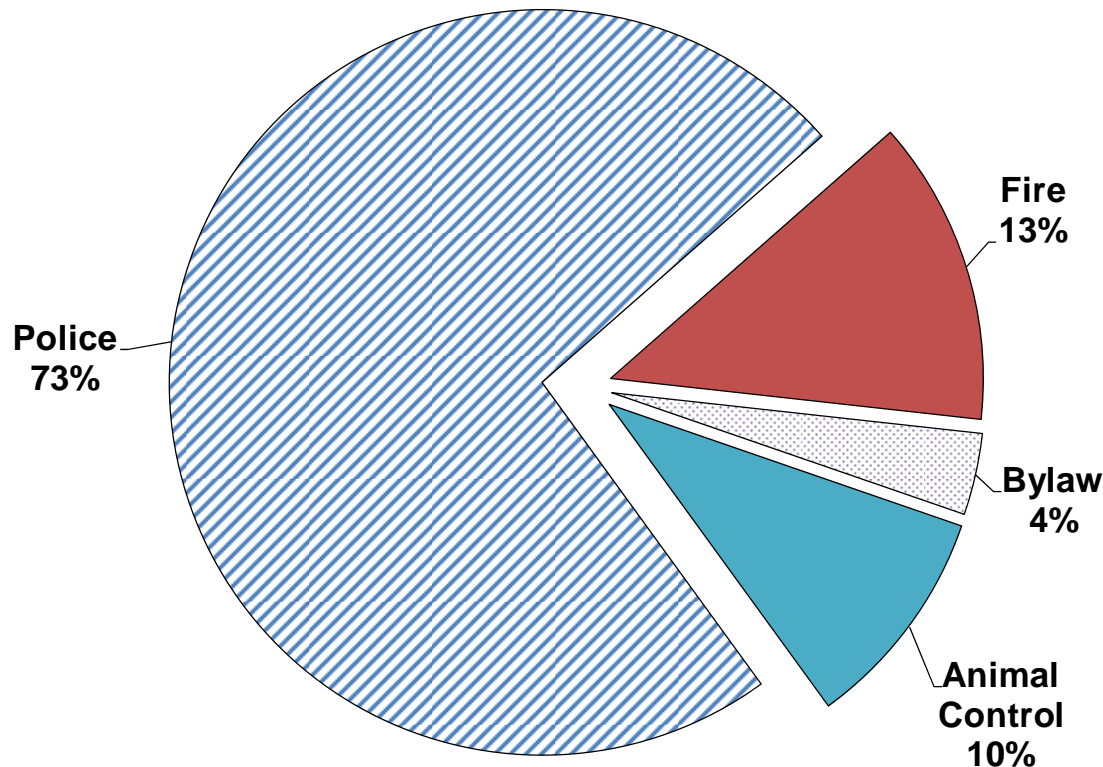

PERSONNEL SUMMARY

Department of Public Safety - Director	5
Police Officers	110
Police Civilian Members	17
Fire Personnel	110
Fire Clerical Support	1
By-law Enforcement/EMO	4
Total Public Safety	247

2013	Budget
Total Public Safety	\$ 27,251,910

CALLS FOR SERVICE - 2013

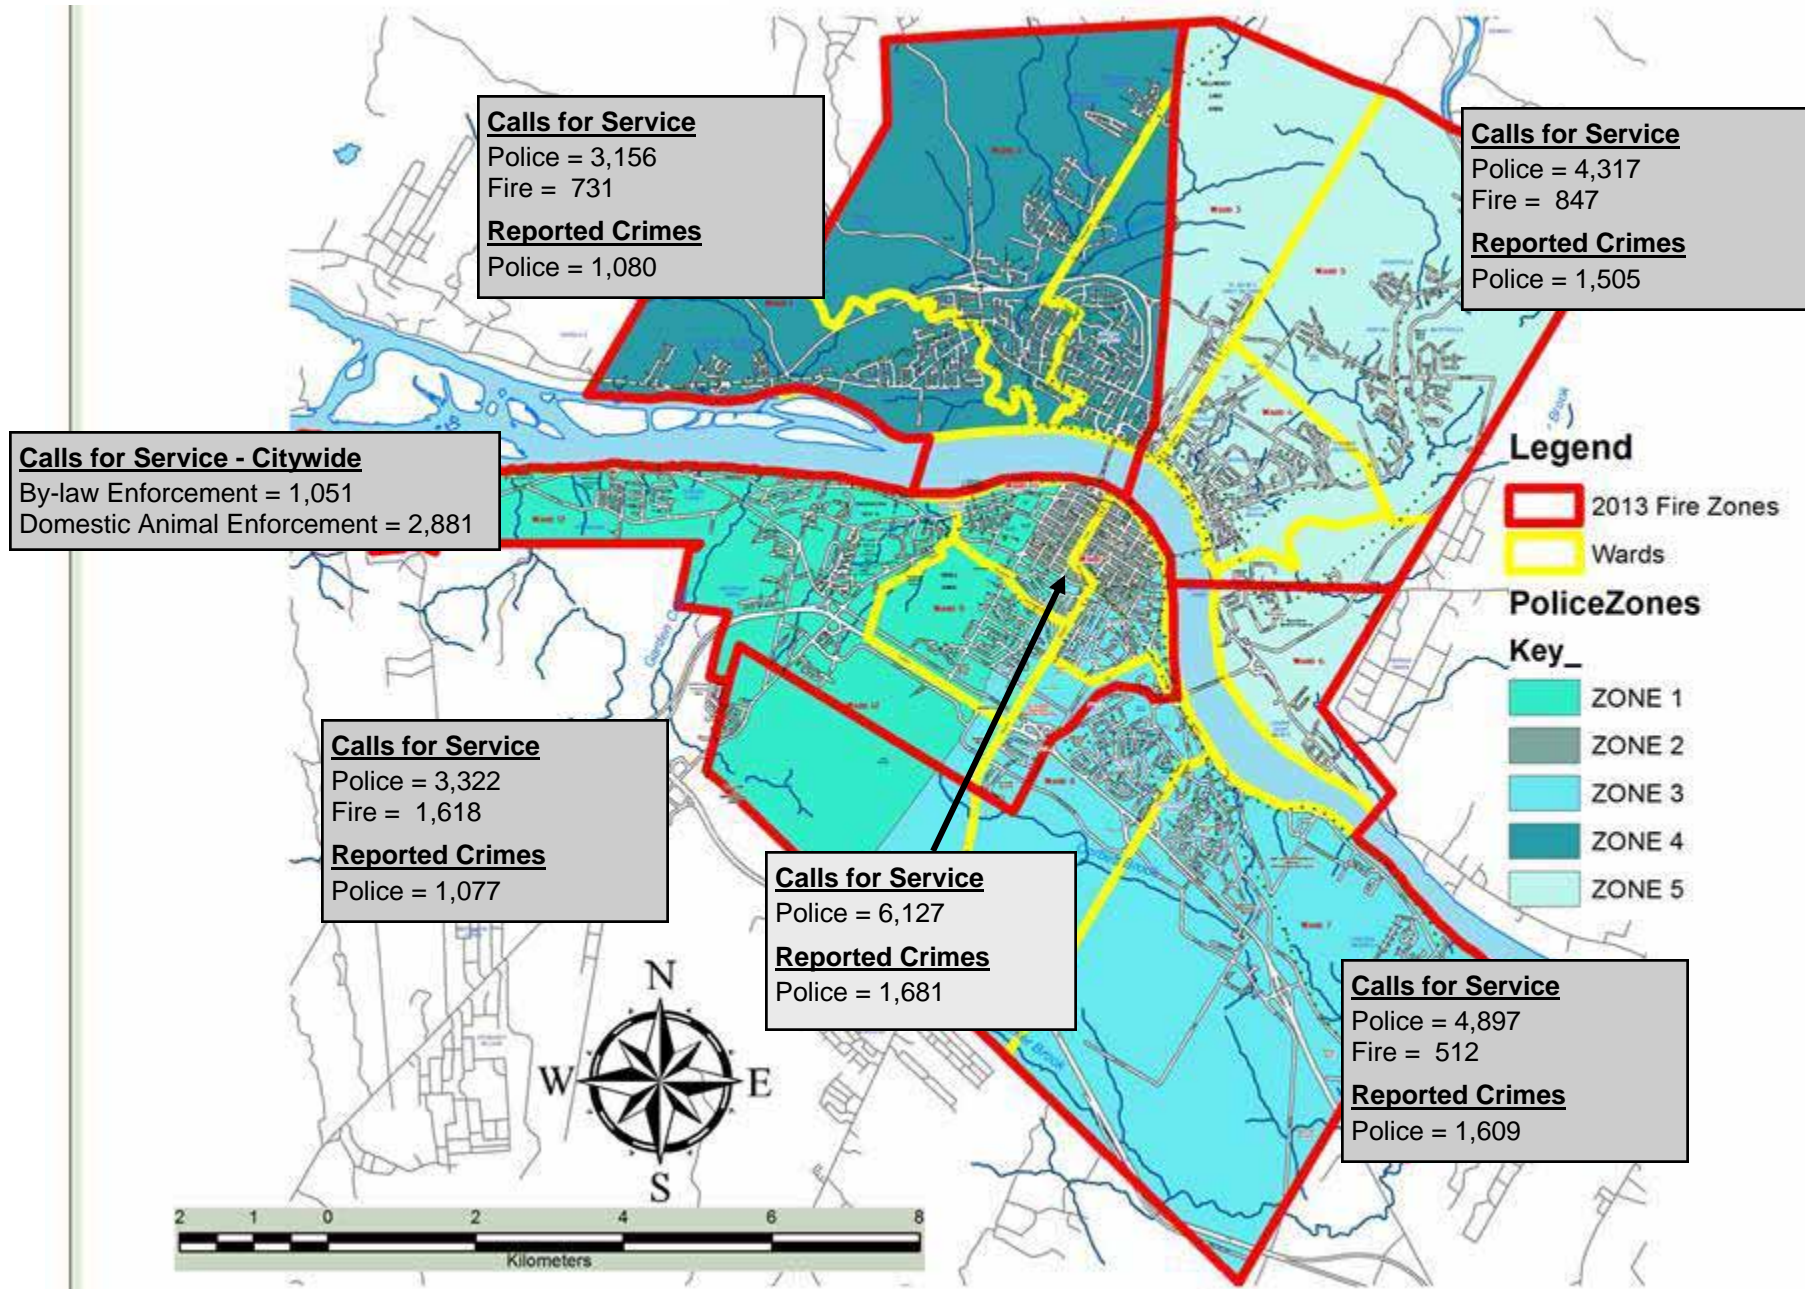

Total Calls for Service (29,183)	
Police	21,814
Fire	3,926
By-law Complaints	1,051
Animal Control Complaints	2,881

Public Safety personnel respond to a call for service every **18 minutes.**

Note: Fire total calls for service include LSDs, Mutual Aid, St. Mary's First Nation & UNB/STU.

A SAFE AND SECURE COMMUNITY

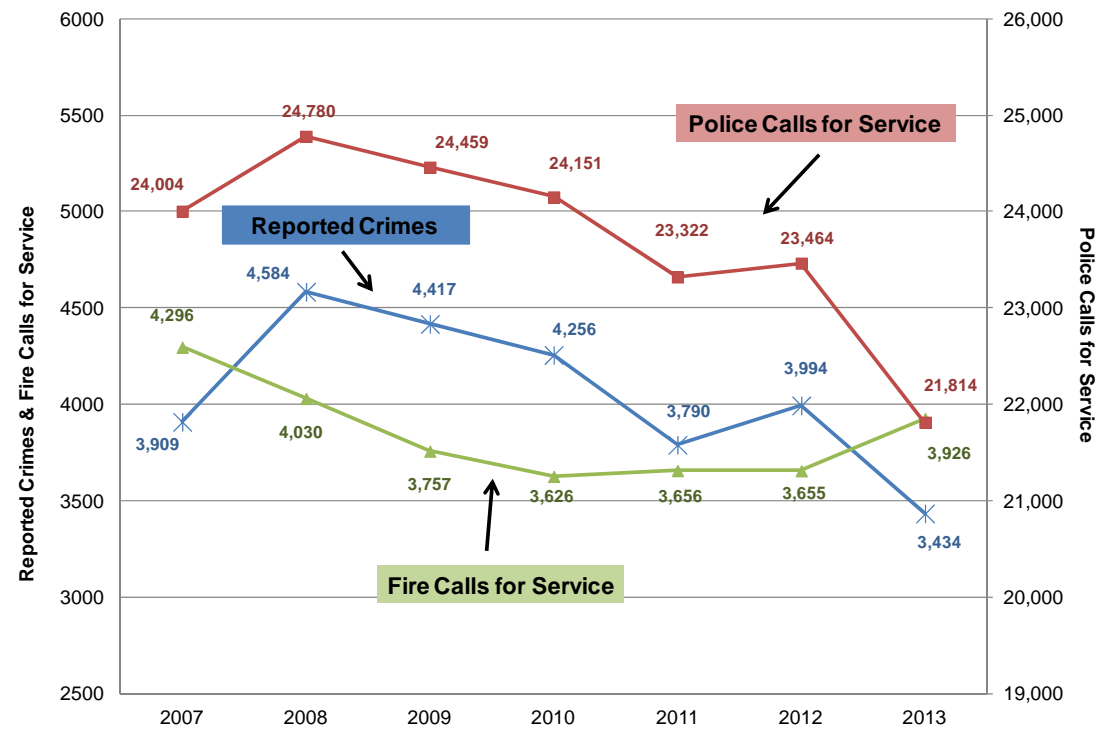

PUBLIC SAFETY AREAS:

Note: Fire calls for service include assistance to Mutual Aid, LSDs, UNB/STU & St. Mary's First Nation.
Police reported crime figures by zone include traffic offences.

PUBLIC SAFETY HIGHLIGHTS FOR 2013:

- ◆ Public safety calls for service remained relatively stable when compared to the previous year. Police calls for service decreased 7%, while reported crime decreased 14%. Fire calls for service increased slightly by 7%.
- ◆ Police reported crimes decreased when compared to 2012 as a result of all three categories: crimes against people, property, and other crimes.
- ◆ The overall number of fire calls for service increased slightly mainly due to an increase in the number of responses to public hazards and assistance.
- ◆ Several Department of Public Safety (DPS) successes were realized in 2013. Highlights include:
 - The introduction of a full-time DPS Communication and Public Affairs position, the result of a Waste Walk. The position provides a coordinated Public Safety communication and media presence, while building capacity by freeing up the resources of a police officer and several resources in Fire. The position provides a more effective and efficient media service, both internally and externally.
 - The completion of the Crime Mapping I&I project resulted in an increase of hours for the Police Crime Analyst to full-time status.
 - Both Police and Fire celebrated several promotions throughout the year. The Fire Department promoted 4 members including the appointment of Chief P. Fleming as Fire Chief and advanced 5 Relief Firefighters to Firefighters. Police promoted 12 of its members, including the one year appointment of Danny Copp as Deputy Chief and the appointment of Chief L. J. Fitch as Chief of Police.
 - The introduction of the integrated Safe Facilities intranet site. Safe Facilities is an access point for police and fire data containing floor and safety plans for facilities throughout the City of Fredericton. The tool was tested and used during an incident at FHS, providing police officers with detailed floor plans of the school.

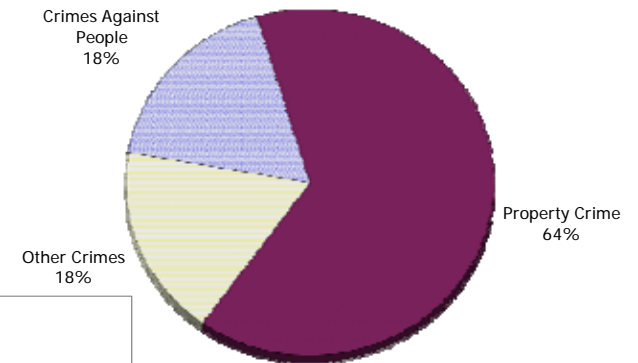

A SAFE AND SECURE COMMUNITY

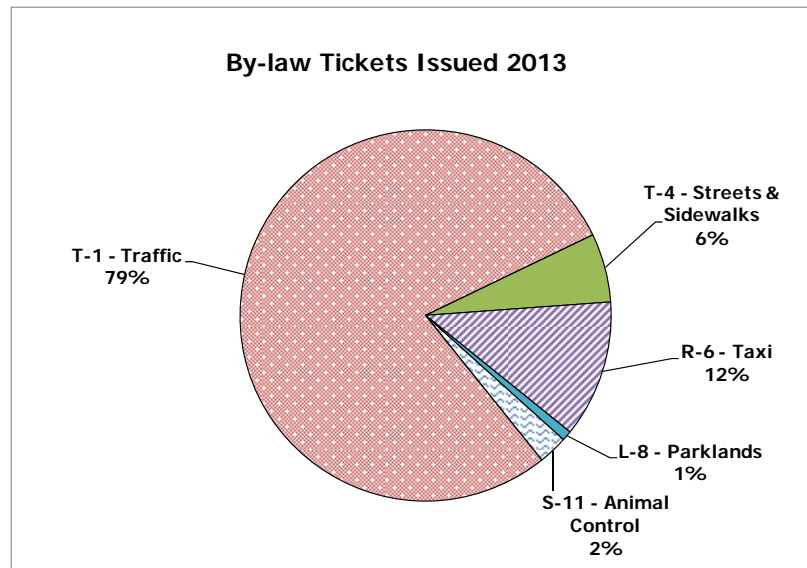

PUBLIC SAFETY HIGHLIGHTS FOR 2013:

- In September, members of the Fredericton Police Drug Crimes Section, CRIIU (Capital Region Integrated Intelligence Unit) and the RCMP arrested an adult male for possession of marijuana for the purposes of trafficking and proceeds of crime. A large quantity of marijuana, Canadian currency and a vehicle were seized. Organized crime was significantly impacted during various operations in and around the capital region in 2013. The September raid and subsequent arrests is one example of our successful integrated service delivery efforts.
 - Fire Prevention coordinated and participated in two notable events in September. A joint initiative between FFD, UNB/STU and the City's Growth & Community Services to place a Waste Bin in the College Hill area, for the disposal of furniture in an effort to reduce the number of fires. A pilot project called 'Dump the Dorms' was conducted by the Fire Prevention division in cooperation with STU and UNB. The event was held in September, when all students performed the required Fire Safety Plan and evacuation, moving to the designated meeting place for each dorm. Resident Assistants in charge then conducted a head count, and any fire safety plan issues were discussed.
 - October witnessed a multi-agency mock plane disaster, initiated by the Fredericton International Airport Authority, and was held in the Grant-Harvey Centre parking lot.
- ◆ Police investigated two attempted murder cases, both related to domestic violence. Arrests were made in both cases.
 - ◆ The City of Fredericton witnessed several major structure fires in 2013, including one notable fire on Charlotte Street which resulted in a dramatic rescue.
 - ◆ The largest number of reported crimes in the City of Fredericton remains property crimes, which made up 64% of total police reported crimes.
 - ◆ By-law Enforcement Officers responded to 2,178 complaints and issued 346 tickets. The majority of tickets were for By-law T-1 - Traffic (79%), followed by By-law R-6 - Taxi (12%).

Total Reported Crimes

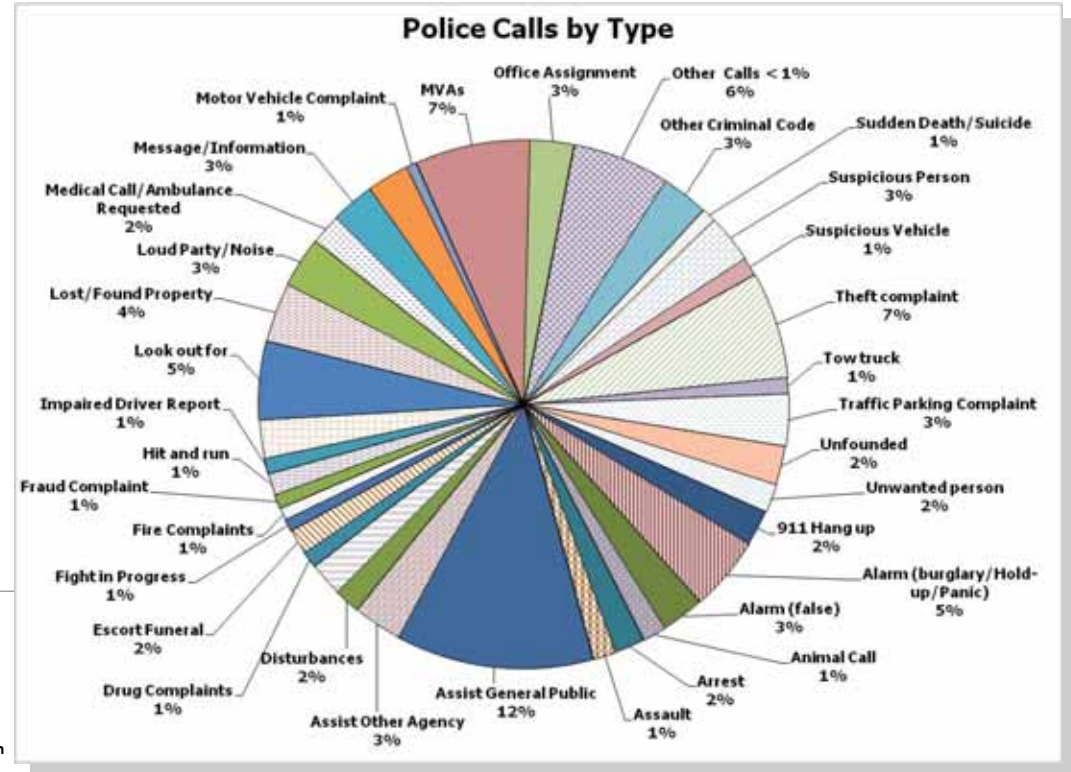

By-law Tickets Issued 2013

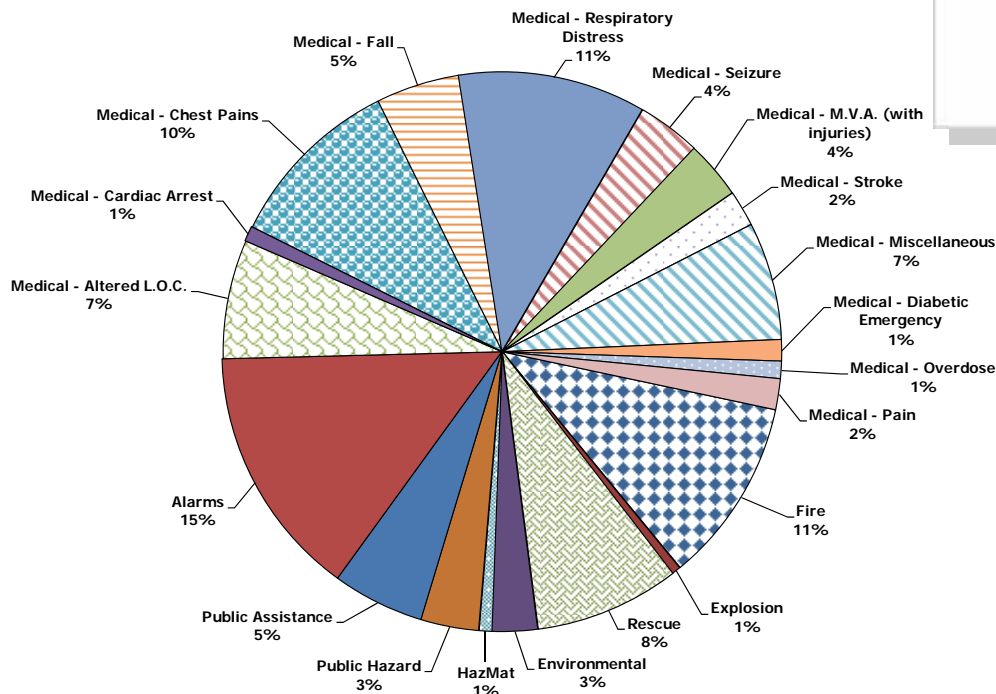

PUBLIC SAFETY HIGHLIGHTS FOR 2013:

- ◆ Public Safety members attend a large variety of calls for service throughout the year. A breakdown of these calls for service is illustrated in the graphs on this page.
- ◆ The largest categories police received for calls were assistance to the general public (12%), motor vehicle accidents (7%), and theft complaints (7%).
- ◆ Fire responded to 92 Local Service District (LSD) calls for service in 2013 and 12 mutual aid requests.
- ◆ The majority of calls Fire responded to were medical calls (54%), alarm calls (15%) and fire calls (12%).

Note*: Fire calls for service by station include Mutual Aid and LSDs.

2013 FIRE HIGHLIGHTS:

- ◆ The number of calls for service increased slightly 7% in 2013 when compared to 2012.
- ◆ The number of fires decreased (3%) for the second consecutive year in 2013 when compared to 2012, while medical calls increased 5% increase for the same time period.
- ◆ There was a notable decrease in the number of reported garbage (24%) and grass (31%) fires during 2013.
- ◆ Approximately half of the medical calls First Responders attend are comprised of respiratory distress (20%), chest pains (19%) and altered level of consciousness (13%).
- ◆ The types of fires the department responded to are illustrated in the pie chart below. The majority of fires were brush (15%) and garbage (13%) fires.

A SAFE AND SECURE COMMUNITY

2013 FIRE STATISTICS:

- ◆ Hazmat calls decreased 31% in 2013, returning to a normal number of requests from the notable increase in 2012, due in part to a larger number of responses to gas or propane leaks and breaks.
- ◆ The Fire Department responded to 92 calls for service for Local Service Districts and 12 Mutual Aid calls in 2013. This represents a 1% decrease in LSD responses when compared to the previous year.

Firefighters responded to an average of **11 calls per day**.

2013 FIRE STATISTICS:

- ◆ Total number of inspections increased (5%) while fire investigations declined (39%) in 2013, when compared to the previous year.
- ◆ A key component for firefighters is maintaining their level of skills and certifications; this is accomplished through continuous training during regular shifts.
- ◆ Fewer violations were issued in 2013, when compared to the previous year.

A SAFE AND SECURE COMMUNITY

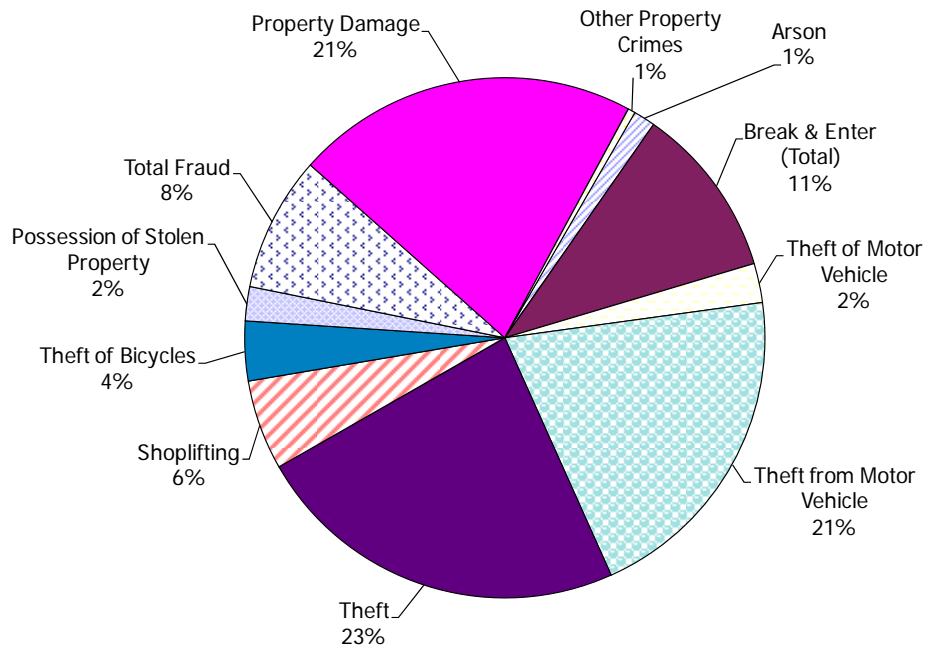

POLICE ZONES & WARDS:

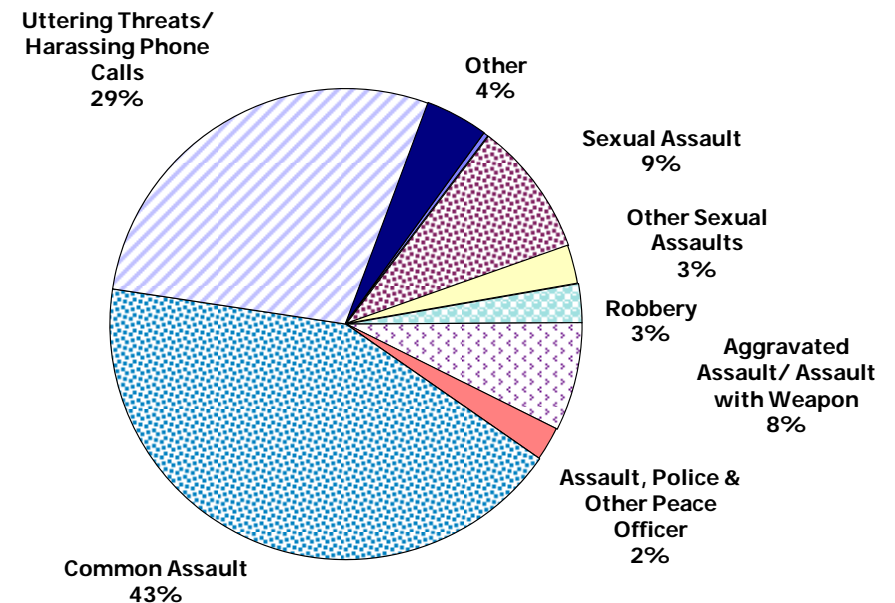

2013 POLICE HIGHLIGHTS:

- ◆ Total calls for service and reported crimes declined slightly in the City of Fredericton, when compared to 2012. There was a 7% decrease in the number of calls and a 14% decrease in reported crime (excluding traffic), when compared to the previous year.
- ◆ The largest crime category in the City of Fredericton remains **property crimes**, representing 64% of all reported crime followed by **crimes against people** and **other crimes**, both at 18%.
- ◆ Common assaults still account for the largest number of reported crimes against people at 43%, followed by uttering threats/harassing phone calls at 29%.
- ◆ Property damage (21%), thefts (23%), and thefts from motor vehicles (21%) accounted for the largest number of reported property crimes.
- ◆ Police investigated two attempted murders in 2013. Both files were related to domestic violence. According to the Statistics Canada publication, *Homicide in Canada*, "Among solved homicides in 2012, 84% of homicide victims were killed by someone they knew, usually an acquaintance or family member."
- ◆ Police responded to 39 sudden death investigations during 2013. These types of investigations have a heavy impact on police personnel throughout the organization.

Property Crime

Crimes Against People

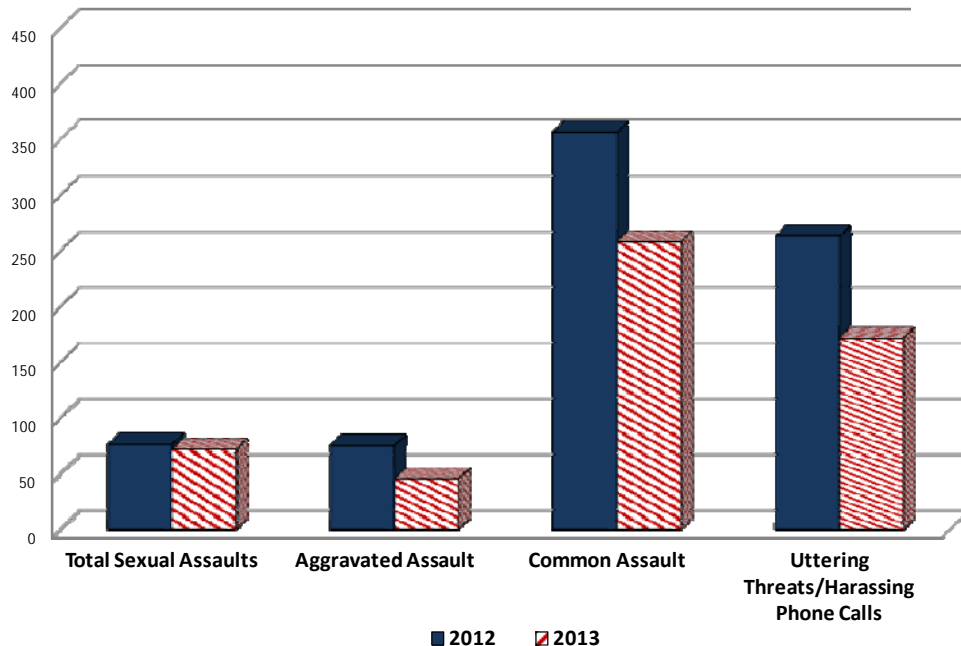

A SAFE AND SECURE COMMUNITY

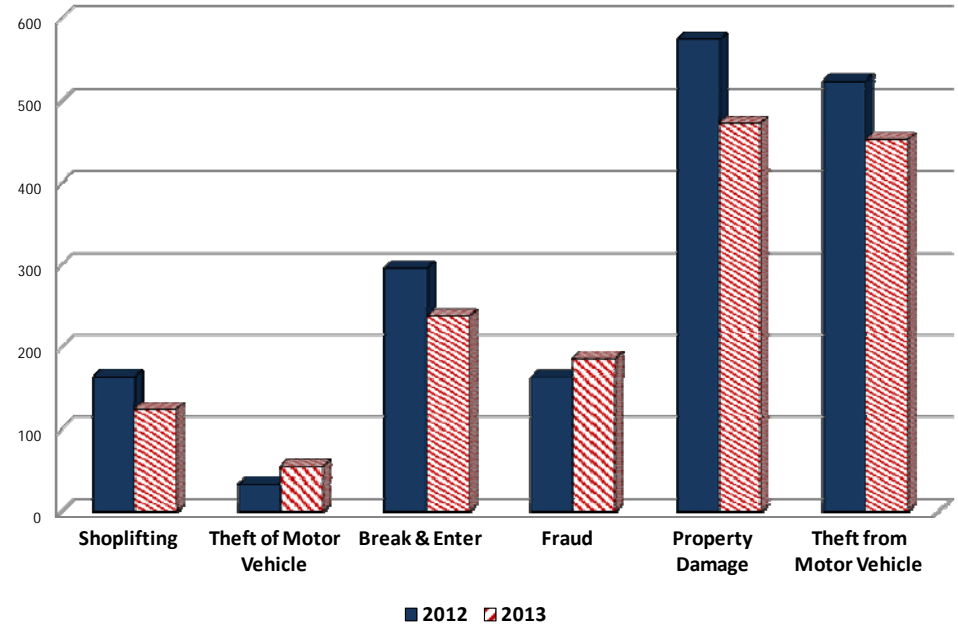

2013 POLICE HIGHLIGHTS:

- ◆ There was a 26% decrease in reported **crimes against people**. Contributing to this decline were decreases in common assaults (28%), uttering threats/harassing phone calls (35%) and aggravated assaults/assault with a weapon (40%).
- ◆ **Property crimes** decreased slightly (13%) in 2013, when compared to 2012. Notable decreases include drops in property damage (18%), break and enters (20%) and shoplifting (24%).
- ◆ In keeping with the Police Department's strategic focus on performance, accountability and succession planning, the organization is committed to continuous learning through training, professional standards and employee development. In the past year, members have participated in numerous training

**Crimes Against People
Selected Crime Categories**

**Property Crime
Selected Crime Categories**

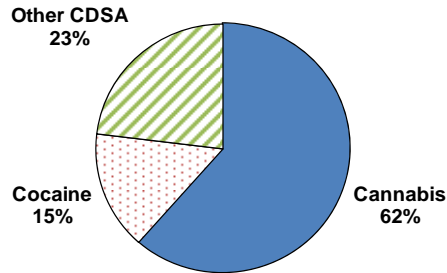

events and over 20 members have consulted personally with the Employee Development Advisor to further their career growth.

- ◆ Officers had well over 21,000 contacts with the public and our Office of Professional Standards received 9 less public complaints about police action or inaction decreasing from 25 in 2012 to 16 in 2013. The realignment of the Office of Professional Standards in 2013 was designed to provide members with recognition for good work, support, guidance and training to first increase officer competency and prevent missteps in performance. In cases where complaints about service or conduct were lodged, there is assurance that internal investigations were handled professionally and thoroughly through the Office of Professional Standards.

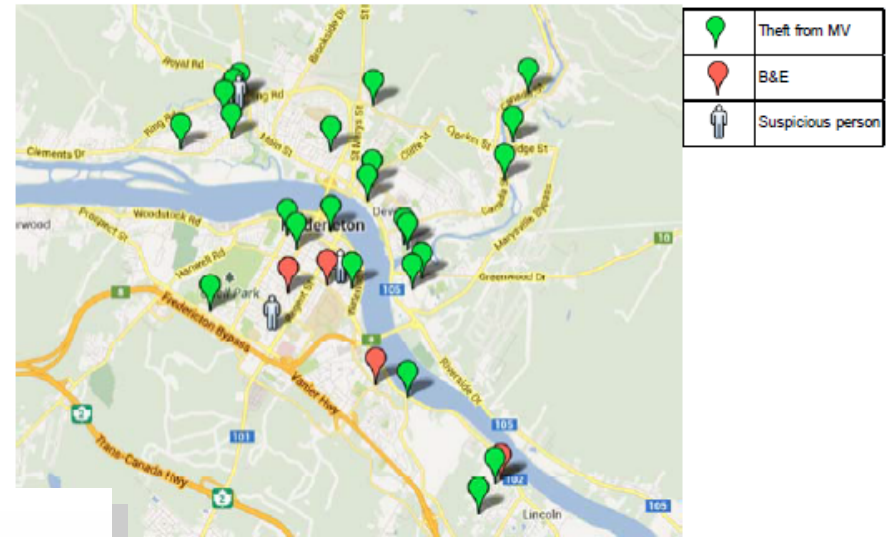

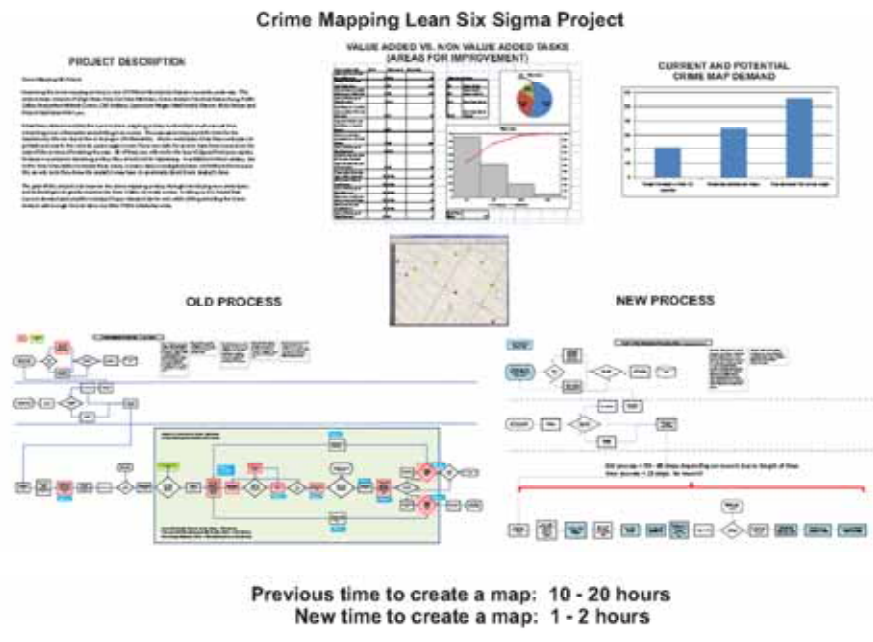

2013 POLICE HIGHLIGHTS:

2013 Drug Crime
by Type

- ◆ Total reported **drug crimes** decreased in 2013 with a reported 78 cases.
- ◆ **Cannabis** accounted for the largest percentage of reported **drug crimes**, followed by other CDSA (23%) and cocaine (15%). Other CDSA categories include such drugs as dilaudid, methamphetamines and heroine.

- ◆ During 2013, the Department of Public Safety and the Police Force moved the Crime Analyst position to full-time hours.
- ◆ The **Crime Mapping Lean Six Sigma** project was completed in 2013. The goal of the project was to reduce time spent on mapping crime and to increase the accuracy of information.
- ◆ As a result of the project, there was a significant reduction in the number of steps to complete the crime mapping process, reducing the number of steps to 14, down from the old process of 28 to 43 steps.
- ◆ The picture on the right is of the project poster created and posted in the police station to illustrate the importance of Lean Six Sigma.

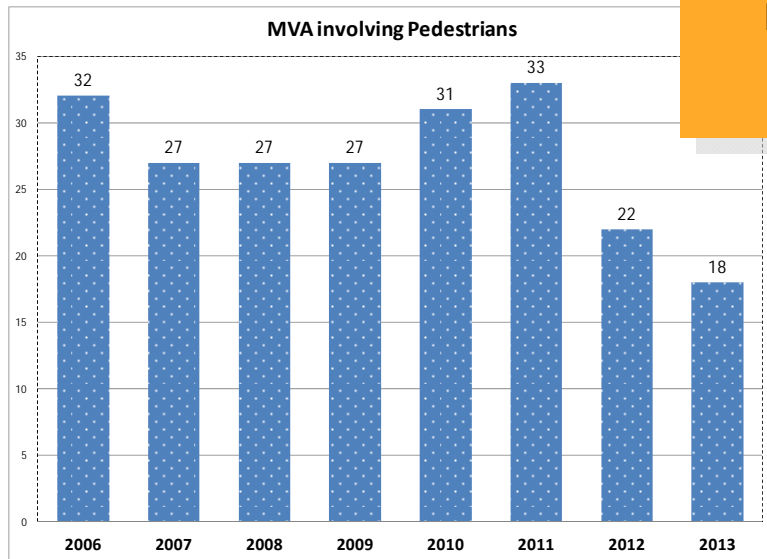

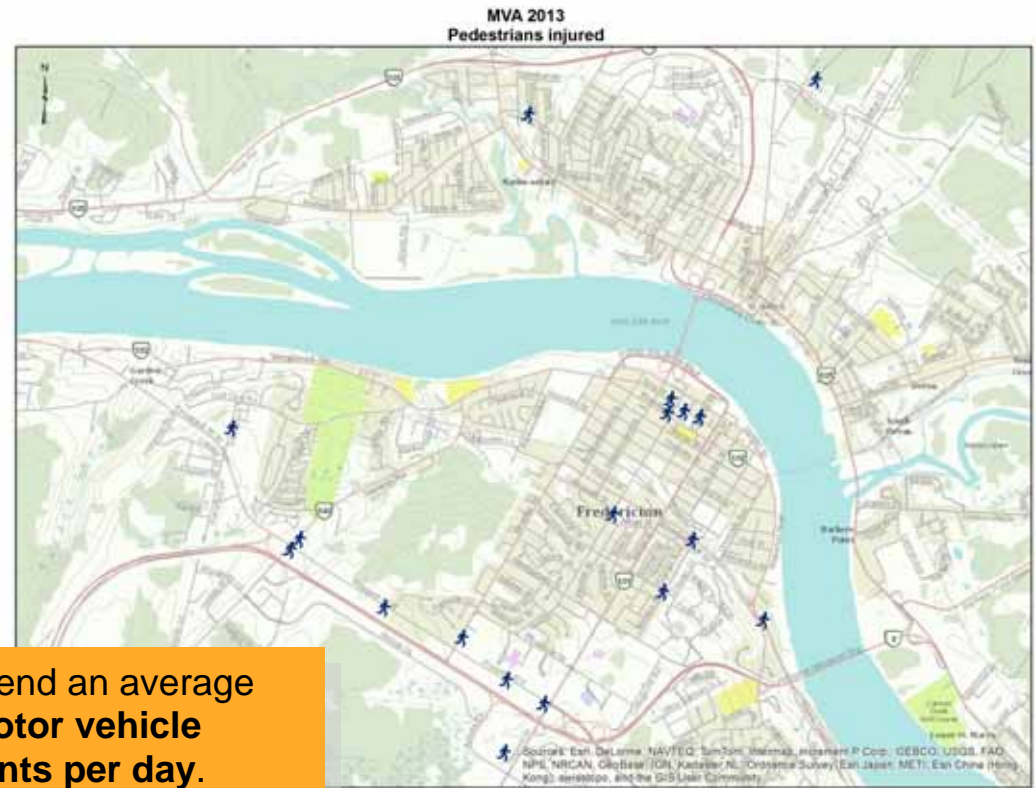

Sample Crime Analyst Analysis for 2013:

The above graph depicts theft from motor vehicles (MV) from June 5th to June 19th, 2013. There were 24 thefts from MV in Fredericton, when compared to 14 for the same timeframe. Most thefts from MV occurred overnight from Wednesday to Thursday and overnight from Saturday to Sunday. The majority of the vehicles were unlocked.

A SAFE AND SECURE COMMUNITY

2013 MOTOR VEHICLE ACCIDENTS:

- ◆ Total motor vehicle accidents reported to police increased (14%) in 2013 when compared to 2012.
- ◆ There were no fatalities during the year and the number of accidents involving injuries increased (8%).
- ◆ Fire personnel responded to more motor vehicle accidents in 2013 (23%).
- ◆ Motor vehicle accidents involving pedestrians dropped 18%. The map to the right illustrates the locations of the 18 reported accidents in 2013.
- ◆ Speeding accounts for the largest number of tickets issued in a year. There were 2,623 tickets issued for speeding under 25 km over the posted speed limit and 125 for traveling over 25 km over the posted speed limit.

Police attend an average of 2 motor vehicle accidents per day.

Firefighters attend an average of 1 motor vehicle accident every day.

BY-LAW ENFORCEMENT:

- ◆ The Division is responsible for the enforcement of City By-laws related to the maintenance and usage of property, domestic animals (dogs, cats, and other household pets), enforcement of minimum residential occupancy standards, regulation of the taxicab industry, and some licensing.
- ◆ By-law Enforcement staff processed 1,051 requests for service in 2013, and issued 117 By-law tickets. The majority of tickets issued were for traffic complaints.
- ◆ In addition, the animal control contractor responded to 2,881 calls for service, 2,176 complaints, and issued 346 tickets in 2013.

A SAFE AND SECURE COMMUNITY

PUBLIC SAFETY IN 2013: EMERGENCY SERVICES EXERCISE

- ◆ Fredericton Police, Fire and Dispatching Services participated in an emergency services exercise at the Grant-Harvey Centre parking lot.
- ◆ Initiated by the Fredericton International Airport Authority as part of Federal regulations, an alert to its partners was issued informing them that a plane had requested emergency landing due to an unspecified emergency on board. Before the plane could land, it crashed.
- ◆ Partner agencies involved in the exercise included Fredericton Police and Fire, Ambulance NB, the RCMP, healthcare professionals at the DECH, representatives from the provincial Public Safety Department, York Sudbury Search & Rescue team, volunteers from FHS, and other community partners.
- ◆ These exercises are important to make sure the processes in place work, while ensuring different organizations and jurisdictions can work together seamlessly in case of a real emergency.

PUBLIC SAFETY AWARDS 2013

Caledonia Company Award

Platoon 3 was honoured for going above and beyond the line of duty in responding to a fire on August 25th. Thirteen Firefighters were awarded the Caledonia Company Award in December.

Medal of Bravery

On June 7th, Members from the Fredericton Fire Department and the Fredericton Police Force attended Rideau Hall in Ottawa to receive the Medal of Bravery from Governor General David Johnston. Firefighters Troy Wilcox and John Lamkey and Cst. Brian Carmichael and Staff Sergeant Matt Myers received awards. (Photo Credit Stacey Wilcox)

Members of the Fredericton Fire Department, who attended the Garrison Ale House Fire on Queen Street, were recognized by the NB Legislature.

Police awards received by members during 2013:

A/Sgt. Dwight Doyle - Governor General Medal of Bravery
 Cst. Shawn Fraser - Governor General Medal of Bravery and
 RCMP "J" Division Medal of Bravery
 Cst. Sam McInnis - Governor General Medal of Bravery and
 IAWP Medal of Valour
 Cst. Jeff Smiley - Governor General Star of Courage and
 RCMP "J" Division Medal of Bravery
