**\*\*Please Note** - the above table was calculated by sorting CAD calls according to Municipality and the table below was calculated by sorting CAD calls according to Neighbourhood. The 'Grand Total' includes all calls attended within and outside Victoria and Esquimalt. As a result, the numbers may not correspond.

**\*\*\*Please Note** – Calls coded as Priority 2 “Abandoned 911” received at 850 Caledonia have been removed from both the above chart and below chart.

When a call comes into the Department, a call is generated in our “CAD” system. Not all “CAD” calls become an “RMS” call. Because many calls can be concluded “in CAD” without the need to generate an “RMS” (i.e. general occurrence) file, the numbers presented on this and the next page (CAD numbers) will not correspond with the totals on page 1 (the RMS numbers).
