Mayor Fougere:

My wife and I had the pleasure of meeting you at the Calgary party on Thursday afternoon. I wanted to send you a quick note to thank you and your City for the incredible hospitality show to us by everyone we met. We have done a lot of traveling and we both agree that Regina is by far the friendliest place we have ever visited. Most cities have people who will promote tourism, however in Regina everyone we met was a tourist ambassador. People on the street constantly approached us, welcomed us to the City and asked if they could assist us with anything. People we met in restaurants would drive us to events because it was cold outside. People offered to drive us places if we could not find a cab. Even at the big game, all the green people around us made the two Tiger Cat fans feel welcome. They even joined us when we did an Oskee Wee Wee chant. (Which we did not have many opportunities to do). The walk down the Green Mile with 45,000 celebrating green people was an event we will remember all our lives. It was special the way everyone accepted us as part of the celebration.

I also want to commend your Police Service for an excellent job. The police visibility was exceptional. They were always in the background enhancing the perception of safety. All the officers were engaging and friendly. When more action was required they quickly reacted. It was impressive to watch the officers communicate and control the 45,000 fans walking the Green Mile. Their proactive approach led to for what I witnessed as a peaceful celebration with few incidents. I had the opportunity to met with Inspector Darren Wilcox and review your operational plan. It was a very professional and well executed plan and one we will emulate if we are fortunate enough to host a Grey Cup in the near future.

Congratulations on hosting a fantastic Grey Cup celebration and thank you and your City for making us feel tremendously welcome, even though we did not wear any green during the trip.

Scott
