Tracy,

April 4/13

This is long overdue...

I'd like to thank you for taking time to meet with my daughter, Anna, for her university class assignment. Your openness and helpful information was appreciated by Anna and by me.

When I had the chance to work with you, I realized how you make a difference in people's lives. I've seen, once again, you making a positive difference for the benefit of others.

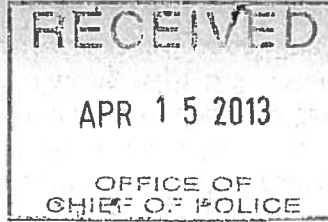

Thanks again,

Bob Curri

RE: The Canadian CBRNE Recommended Equipment List Project (REL)
CRTI #08-105RD

Dear Sir,

I would like to extend a hearty thank you to you and the Regina Police Service for providing Sgt. Dean Yadowski as the representative of the Canadian Police Association and Regina Police Service to the REL project. He was an excellent ambassador for both organizations as well as an extremely diligent and active member of the Project Technical Committee (PTC).

The REL project created documentation and a website intended to assist all Canadian emergency service organizations to prepare well in order to protect their communities against CBRNE terrorist attacks. Over the last two years, each member of the PTC was required to dedicate 288 hours to the project. The work included contributing subject matter expertise, liaising with U.S. InterAgency Board counterparts and travelling to 9 quarterly meetings at various locations across Canada. The results of this effort can be seen at URL psprc-crpsp.ca.

Once again, thank you. Dean's leadership and diplomacy were critical to the success of the project.

Sincerely,

Allan Parisien - contracted Project Manager

Your Hi Dear,

Message: I would like to thank your department for a good service. On April 19, 2013 I came to the police department to report a hit and run. It was very busy and I had to wait for 2 hours before I was served. Once my number called I was greeted by constable Nicholson badge #873 and completed the report. Despite a very long and busy day of work, she was extremely polite and helped me out with an excellent attitude. She also called me back later to provide a follow up as to what other development took place. I would like to thank her very much for excellent support and service.

25/04/13
at. Nicholson,
Thank you for providing
excellent service.
Very well done!
T. ANGELO
