Dear Sir:

Evrax Place would like to thank the Regina Police Service for their work at the 2014 Queen City Ex. Having the Regina Police working alongside Evraz Place's security team created a safe and enjoyable Queen City Ex for everyone. The Queen City Ex would not be successful without the help of the Regina Police Service. The relationship we have maintained over the years has been excellent and contributes to the success of the Queen City Ex. A special thank you goes out to A/Sgt. Casey Ward for his hard work and dedication throughout the week; Casey was friendly and was always willing to go above and beyond. The comments received from attendee's, staff, and volunteers in 2014 were very positive. Evraz Place Security and Regina Police Service made the 2014 Queen City Ex a safe and family friendly environment for all staff and attendee's. The 2014 Queen City Ex was a success and the Regina City Police is a huge part of this success.

We are grateful for your support and want you to know it was critical to our success this year and every year. We look forward to your continued support in 2015.

Yours truly,

Darwin Godlien

Good morning Jim,

From public safety and a community relations perspective I think the games were a success. S/Sgt Paul Tate developed an operational plan which had a focus on high visibility to promote a feeling of security and safety throughout the week. Sgt Hall co-ordinate the School Resource Officers to be the uniformed presence and we were proactive in establishing extra resources through special duty officers to deal with concerns at the entertainment venue both Friday and Saturday night. Our Cultural unit also played an active role in establishing good relations with the many visitors attending the games.

Your experience was an asset to not only the games but also valuable for the RPS having a familiar face co-ordinating the security for the week.

I apologize for not being around more but I was confident that the security of the games was in good hands.

It was pleasure to work with you and your committee and look forward to future opportunities.

All the best!

Darcy

Good morning Darcy! Hope all is well at the station. I want to take this time to thank you guys for the work you done assisting us at the games. It means a lot when another agency like the Regina Police Service is there for you! Not once did I hear any negative comments or why Police had to be here for us. Thank each and every member who came out here and attended the outside venue's. The community and the visitors felt safe knowing your fine members were there. From what I heard was that any interaction with the visitors was very positive! Keep up the fine community work!! One again thank you!! Please cc the Chief!! Have a great day!!

Message Body:
Dear Chief of Police:

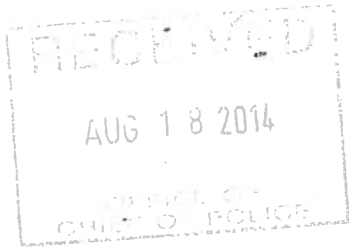

On July 1st while I was biking through Wascana Park, I collapsed from a cardiac arrest. Even before the 911 call dispatched a response from RPS and EMS, officers Anthony Rodier and his partner who were on bikes in the area, were performing CPR on me. Thanks to their quick action, and the presence of an AED with the EMS team on bikes, my heart was started again and I avoided debilitation or death.

Since then me and my girlfriend have had the opportunity to meet these officers twice, and they were very kind and generous with their time. I wanted you to be aware of their good work, and they have my thanks.

Sincerely,
John Klein

Dear Chief Constable,

I am writing to thank you very much for your response to my letter regarding unfortunate criminal activity in the vicinity of my house.

The actions taken by Regina City Police were immediate, positive and effective. All of the officers concerned were most helpful and it is impossible to name them all. You will know those in the chain of command regarding this specific intervention. I do wish to mention the 'front line' of Corporal C. Hegi and his troops. It was a pleasure to meet Colin and to receive positive assurances regarding an otherwise stressful situation.

Once again, I do wish to thank you for the actions taken by the police service as things had become pretty scary just a few feet from my own house.

Yours sincerely,

Ray Smith

RECOMMENDATION

Receive and file.

CONCLUSION

The Regina Police Service has completed its 2013 Annual Report. This report will be available in hardcopy or can be viewed electronically on the Regina Police Service web site, www.reginapolice.ca.

In the early days, these reports contained highlights of the year, organizational strength, statistical information on crime, a financial statement and recommendations for equipment and growth. The current annual report has evolved and is structured around the four pillars of our Strategic Plan, 2011 – 2014, Service Delivery, Infrastructure – business systems and processes, Partnerships and Community Engagement, and Human Resource Development. Each of these pillars contains our initiatives with respect to our community involvement.
