Building Relationships of Trust TOOLKIT

Toolkit Components

The *Building Relationships of Trust Toolkit* includes detailed information police officers and community members should consider when trying to build trusting relationships between the two.

Click a title to view that piece of the toolkit.

Moving to Implementation

This in-depth publication focuses on issues related to bringing communities into the public safety and policing process at the local level.

Recommended Steps for Chief Executives

This is a checklist of actions a law enforcement executive should consider to ensure that the process of developing relationships of trust continues.

An Interactive Video Overview

This video shows law enforcement officers and community leaders from around the country providing insight into their communities and the practices that have worked best to build relationships.

Commonly Used Terms

This resource provides descriptions of terms law enforcement officers commonly use when working with the community.

Community Perception Survey

A police department should distribute this survey to community members pre- and post-implementation of a building relationships of trust initiative.

Curriculum Training Modules

This in-service orientation course assists officers in building relationships of trust.
