A SAFER COMMUNITY **TOGETHER**

Strategic Plan 2014 – 2016

A SAFER COMMUNITY **TOGETHER**

The 2014-2016 Strategic Plan will serve as the frame of reference that will help guide the Peel Regional Police over the next three years. This framework is based on the changing needs of our members and our community partners. Our commitment to having an updated and relevant Strategic Plan in place re-affirms for our community our ongoing commitment to community safety and policing excellence.

WHAT OUR STRATEGIC PLAN MEANS TO YOU

The 2014-2016 Strategic Plan serves as a 'road map', outlining actions and performance indicators to guide the organization towards the attainment of its strategic goals. The Strategic Plan serves various purposes including:

- Communicating to the public, community and policing partners, and employees how we will build "A Safer Community Together";
- Directing the annual Business Plans and Budgets, as well as the development of Management Action Plans throughout the organization;
- Providing a framework to face policing challenges, including a strategy for more efficiently and effectively allocating our resources to support priority community programs and initiatives.

DEVELOPING THE STRATEGIC PLAN

The Strategic Plan was developed based upon valuable input from the community, policing partners and employees. Feedback received from Discovery Workshops, as well as Community and Employee Surveys, has been integral in building a Plan that reflects the needs and concerns of our stakeholders. Consultation was essential, ensuring the organization focuses on key policing priorities to make Peel "A Safer Community Together".

COMMUNITY & STAFF CONSULTATION PROCESS

Discovery Workshops

Throughout September 2013, collaborative Workshops were held with community leaders including representatives from a variety of sectors such as: grassroots agencies; ethno-cultural groups; education; health; and emergency response. Members of the Police Services Board and the Peel Regional Police also participated in the interactive sessions. Additionally, youth from a variety of neighbourhoods participated in an interactive Workshop. The Workshops facilitated open dialogue regarding safety and policing priorities and encouraged participants to work collaboratively on a shared vision for Peel, which included developing solutions and action plans on key community issues.

Community & Business Surveys

In April 2013, the residential and business community provided input into the future delivery of policing services through surveys that were conducted as phone polls by an independent research provider.

Employee Survey

On an annual basis, employees provide essential feedback to ensure effective and efficient services are provided. This process is a reflection of the organization's ongoing commitment to continuous improvement and employee engagement.

STRATEGIC PLANNING FRAMEWORK

Stakeholder Consultations: Input was collected from various stakeholder groups through the Community and Business Surveys, Employee Survey and Discovery Workshops held with community leaders and youth.

Strategic Issues: Key strategic issues were identified based on an environmental scan analyzing a combination of strengths, weaknesses, opportunities, threats, and input through stakeholder consultations. They are long term issues that the organization needs to address through its strategies. They form the basis of the Strategic Plan. Strategic Goals & Actions: The strategic goals are overall results that Peel Regional Police wants to achieve. They enable the vision, *"A Safer Community Together"*, to be realized. The strategic actions are intended measurable methods that Peel Regional Police will undertake to realize its strategic goals.

Management Action Plans: Individual units develop management action plans identifying strategies that support Peel Regional Police's strategic actions, and contribute towards meeting Peel Regional Police's strategic goals. Reviews and progress updates are conducted on an ongoing basis.

Annual Performance Report: The Annual Performance Report provides a progress report on the performance indicators outlined in the Strategic Plan, and highlights various initiatives and programs that have been implemented that contribute towards the goals and overall success of the Strategic Plan.

Annual Budget: Annual budgets are developed to be consistent with management action plans, which are linked to Peel Regional Police's strategic goals and actions. Budget Forecast: The projected change to the tax levy over the next three year period related to policing is as follows: 2014 = +0.68%; 2015 = +1.24%; 2016 = +1.04%.

Policing Jurisdiction: Peel Regional Police provides policing services within the cities of Brampton and Mississauga, including the many travelers who pass through Pearson International Airport.
